This property constats of 5 1-8 acres of all cultivatable soil, laid out in orchard, truck garden, corn, oats, potatoes, etc., besides shrubbery, flowers, hedges and old shade trees. The improvements consist of a three-story stone and shingle residence with 11 rooms and two baths, the servants' quarters being separate from the living quarters. The water is supplied to the house by the windmill, pumped to a large reservoir in the main building. THIS FIELD HILL ESTATES."
